

1200W Portable Outdoor Power Station

HJ-PPS600

Application

Everyday Household Power: Perfect for charging small household appliances, offering convenient power supply without the limitations of short charging cables.

Recreational Travel: Provides power for long trips or remote locations away from traditional power sources, ensuring continuous operation of your devices.

A variety of ways to charge

you can use an AC adapter to charge the power supply from a wall outlet while at home, use an on-board charger to charge the power station from a car outlet while on the go, or use a solar panel to charge in the sun while outdoors.

Two-way fast charge

Charging about 1.5 hours, two-way increase charging speed, give you unexpected fast charge experience.

Safe and durable

Equipped with lithium iron phosphate safety battery, high power super load peak 2400W.

Multiple safety protections

A durable, stable LiFePO4 battery, supported by a BMS system. With over charge, over discharge, over voltage, over current, short circuit and temperature fluctuation protection function.

Description

HJ Group's HJ-PPS1200W portable outdoor power station is equipped with a LiFePO₄ battery and supports fast charging in 1.5 hours. It can charge up to 8 devices simultaneously and supports multiple charging methods, including AC adapters, car chargers, and solar panels. With advanced safety features and over 3000 charge cycles, it's an ideal solution for camping, travel, and household power outages.

Product Type	Portable Energy Storage Power Supply
Product Model	HJ-PPS1200
Battery Type	Battery Type Lithium iron phosphate soft pack 50Ah 1P7S or 40Ah 1P7S
Capacity	1120Wh,22.4V,50Ah
AC Output	Rated 600W (maximum 800W, peak 1600W)
AC output waveform	Sine Wave
DC/PV charging	11-50V 300W Max (XT60 port) supports MPPT
AC Input	800W
AC output	1200W (peak 2400W)
Cigarette lighter output	12V/10A
USB output 1	22.5W compatible with FCP/SCP/QC3.0 and other protocols
USB output 2/3	5V/2.4A
Type-C1 output	PD100W
Type-C 2/3 output	PD 30W
Weight	About 14kg
